

REFA Celebrates Victor Obisakin's Appointment to the Metropolitan Council

Restoration for All Inc. (REFA) is proud to recognize our **Legislative and Community Relations Director, Victor Obisakin**, on his recent appointment to the **Metropolitan Council**, representing **District 15**.

Appointed by Governor Walz and Lieutenant Governor Flanagan, Victor was officially sworn on July 9th as part of the Council's 17-member policy-making body. The Metropolitan Council plays a critical role in advancing transportation, housing, environmental stewardship, and equitable community development across the Twin Cities region.

Victor's appointment is a testament to his unwavering dedication to public service. At REFA, his vision and work have consistently advanced our mission of building resilience, fostering inclusion, and empowering communities. Now, he is bringing that same commitment to impact regional decision-making for the benefit of all.

"Victor's leadership ensures that the perspectives and needs of immigrant and refugee communities are elevated in regional policy conversations. We are proud of his continued service to both REFA and the broader community." – Amb.

Dr. Tolulope Ola, Founder & Executive Director of REFA

We celebrate this milestone achievement and look forward to the lasting impact Victor will have on the Council and across Minnesota.

Please join us in congratulating Victor on this well-deserved honor!
